Club Helensvale's \$50,000 Henselite National Club 5 A Side Challenge

September 5 to 8, 2011

National Club 5 A Side Challenge

The young guns from Broadbeach and the experienced Helensvale 1 outfit have raced out to lead the field after day 1 of the Henselite \$50,000 National Club 5 A Side Challenge at Club Helensvale today. Both teams won 7 from 8 games in a tough opening day on the greens.

Last year's champions, Warilla, sit just half a game further back with a draw in the round one triples against Mooloolaba costing them a spot at the top of the table.

A surprise packet of day was the Grange team from South Australia. Dropping just 2 games from the 8 encounters, they sit comfortably in fourth position.

Last year's finalists Wynnum Manly will be looking to bounce back tomorrow after a disappointing first day's play, sitting bottom of the ladder on 0 wins -66 shots.

Two more days of qualifying will be played tomorrow and Wednesday with the top 4 teams advancing to Thursday's Semi Final and Grand Finals.

With 16 qualifying games still to be played, there's opportunity for dramatic changes to the leaderboard over the next couple of days.
